

JUN 2 1946

Lieutenant General LeRoy Lutes
Director of the Staff
Munitions Board
National Military Establishment
Washington 25, D. C.

Reference: [REDACTED]

Dear General Lutes:

We appreciated greatly your courtesy in inviting this office to attend a conference to consider the relationships between [REDACTED], arising out of a development contract for facsimile equipment.

As stated in that meeting, we have a keen interest in the outcome of this matter. We fully intend to continue with our proposal to amend our contract with [REDACTED] upwards in hope of producing the equipment desired by us. We believe this equipment will be of great value not only to us, but to the government as a whole.

We therefore would appreciate any information you may feel proper to give us on the final decision at your earliest convenience.

Very truly yours,

/s/
[REDACTED]
Acting Executive
